

Limited Warranty

Universal Lighting Technologies, Inc. ("Universal") warrants that the LED Chains and Drivers listed below (collectively, the "LED Lighting Products") will be free from defects in material and workmanship and will function in accordance with the written specifications of Universal for the specified warranty periods below (from the date of manufacture), all subject to the terms of this Limited Warranty.

LED Lighting Products

Signa LED Red Modules LMA-25R	60 months
Signa LED White Modules LMA-25W, LMA-25WW	48 months
Signa LED Green & Blue Modules LMA-25G, LMA-25B	36 Months
Signa LED Power Supplies	60 months

The above warranty periods are based on continuous operation of the LED Lighting Products 24 hours per day, 7 days per week in normal operating conditions in compliance with the written specifications of Universal.

If, within the applicable warranty period, any Universal LED Lighting Product does not meet the warranty specified above, Universal will, at Universal's option, provide a replacement LED Lighting Product, repair the LED Lighting Product or credit the customer's account for the purchase of the applicable LED Lighting Product. Universal extends this warranty to the first end-user purchaser only and this Limited Warranty may not otherwise be assigned or transferred to any other party.

The LED Lighting Products are designed to work as part of a system approved by Universal. This Limited Warranty is void if any unapproved third party devices are used either as a substitute or in conjunction with LED Lighting Products. This warranty is not applicable to, and Universal makes no warranty whatsoever with respect to, any LED Lighting Product not installed and operated in accordance with the National Electrical Code (NEC), the Standards for Safety of Underwriters Laboratories, Inc. (UL), Standards for the American National Standards Institute (ANSI) or, in Canada, the Canadian Standards Association (CSA).

This warranty is conditioned upon the proper storage, installation, use and maintenance of the LED Lighting Product and shall not apply to any products that have been modified or repaired by anyone other than Universal or its authorized agents. This warranty is only applicable to LED Lighting Products installed and operated in accordance with Universal's installation instructions, connection diagrams and operational specifications. Any LED Lighting Products which have been subjected to abnormal operating conditions as specified in Universal's published literature, including, without limitation, over/under voltage, excessive temperatures or excessive switching cycles are not covered by this warranty. Universal reserves the right to perform or to require additional tests be performed on the LED Lighting Products and associated components before approving any warranty claim hereunder.

NO IMPLIED WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY BEYOND THE AFOREMENTIONED WARRANTY PERIOD. This warranty is exclusive of all other written or oral warranties and no other warranties of any kind are given and are expressly disclaimed. This warranty sets forth Universal's sole obligations and responsibilities regarding its LED Lighting Products and is the exclusive remedy available to the claimant.
